

## Environment Policy Statement

PACK & SEND is committed to reducing its' impact on the environment. We will strive to improve our environmental performance over time and to initiate additional projects and activities that will further reduce our impacts on the environment.

Our commitment to the environment extends to our customers, our staff and the community in which we operate. We are committed to:

- Comply with all applicable environmental regulations
- Continually improve over time the environmental performance of our sustainable packaging guidelines
- Prevent pollution whenever possible
- Train all of our staff on our environmental program and empower them to contribute and participate
- Communicate our environmental commitment and efforts to our customers, staff and our community
- Continually improve over time by striving to measure our environmental impacts and by setting goals to reduce these impacts each year

PACK & SEND partners with Visy Boxes and More as our preferred supplier of packaging materials. Visy is committed to sustainable development and take a whole of product lifecycle approach to ensure their activities, products and services enhance the environment in the communities in which they operate. They develop innovative products, recycling solutions and services that:

- Reduce waste and greenhouse emissions
- Consider and minimise the lifecycle of their products and activities
- Source sociably responsible and sustainable products and services
- Efficiently utilise natural resources
- Protect and prevent any adverse impacts to the environment
- Meet community aspirations for a sustainable future
